## A stunning setting for your corporate event

## Welcome to Strathpeffer Pavilion

It's hard to choose between venues for corporate events in Scotland because there are so many great options. But here at the Strathpeffer Pavilion we believe we have a venue that offers a truly different and unique experience. The Pavilion offers a place and a space that oozes style, functionality and history – with built-in 21st century communication and facilities technology. And a team of event coordinators that make things happen. Good event coordinators do not make an event successful, they make it outstanding. Here at the Pavilion success isn't when our clients notice the hard work we do, it's when their event runs so smoothly that our role appears invisible.

The Pavilion boasts a large architecturally magnificent main hall, break-out rooms, a restaurant and bar which can accommodate a range of different events including conferences, AGM's, large meetings, award dinners, product launches, plenary sessions and dinner dances – making it one of the most versatile venues in the Highlands of Scotland.

Situated in the beautiful historic Victorian village of Strathpeffer – less than half an hour from the city of Inverness with its excellent travel connections. Access to Inverness, the Capital of the Highlands can be made by rail from London King's Cross, Glasgow, Edinburgh and Aberdeen, with the option of the overnight Sleeper from London Euston. There are regular daily domestic airline services from London Gatwick, Luton, Manchester, Glasgow, Edinburgh and Birmingham. So getting to the Pavilion is no problem. We can even organise luxury coaches / cars to ferry your guests from and to points of arrival and departure. For very special delegates and guests, a local helicopter service is available.

The Red Poppy Restaurant is the Pavilion's caterer for conferences, corporate events and dinner dances. With an outstanding reputation and a team of friendly and efficient staff – head chef Nick Aburrow's culinary style relies on the use of quality ingredients, locally-sourced wherever possible, to produce a contemporary menu with an individual twist which delegates will find uplifting. It's food that doesn't need over explaining, it's just excellent and healthy and ideal for post conference dinners, dinner dances and buffets, receptions, etc.

Situated at the edge of the 'rough' Highlands Strathpeffer is a popular base for walkers and famous for mountain bikers. So team building and team oriented activities are no problem to organise. We also have on our doorstep access to other activities such as guided walks; fly fishing, golf, shooting and much more. Just say what you want to do and we will do our very best to get it organised.

At the end of a hard conference day, a quiet and confirmable place to rest your head and inspired bones is a must. The village of Strathpeffer offers a plethora of different accommodation standards.

All a stone's throw from the Pavilion. We can advise or organise this aspect of your corporate event. Again it is no problem.

Ultimately we are aware that you have choices but your event is unique and our goal is to provide a seamless one-stop corporate conference service tailored to meet your individual needs. Our dedicated corporate conference team can help you with everything from event planning, invitations, security, branded merchandise, photography, filming, press and PR, flowers or even balloons for evening entertainment. You name it and if it's possible, we will get it organised because we want you to have an unforgettably successful corporate event.

We hope this gives you a little taste of what is on offer here at the Strathpeffer Pavilion. But mark our words, the first visit to see and organise your event will truly bring home the potential that is, the Strathpeffer Pavilion and the magnificent village and surrounding sporting and sight seeing opportunities on offer.
